

# Furniture Allowance Calculator

Bringing new options to the table

With shipping becoming increasingly slow and more expensive, organizations look to offer more flexible options to their mobile employees. Mercer's Furniture Allowance Calculator allows you to provide a one-time allowance in lieu of shipping, giving you access to furniture prices in selected locations based on publicly-available data.

Set furniture allowances fairly and consistently across locations and family sizes thanks to the reliable and current data. Tailor calculations to your policy and each employee's needs with the interactive calculator.

Mercer's Furniture Allowance Calculator includes the overall costs of:

**Furniture**

**Large and small appliances**

**Textiles**

**Kitchenware**

**Consistent**

**Flexible**

**Equitable**

**Cost-efficient**
