Short Term Travel Cost

How to Read this Report

This section contains basic information about home and host locations that were used to obtain the airfare and daily allowances. These locations may not be the same if the original location is not included in the Mercer COL coverage.

Roundtrip airfare costs in peak season time are presented in five price points. Peak is understood as two first weeks of June or a Christmas to New Year period. The one that is chosen is highlighted in blue. Prices are shown in both departure and destination location currency.
